### Letter to Stockholders on the Tax Status of 2015 Distributions

The information on distributions paid by BlackRock Capital Investment Corporation (“BlackRock Capital Investment” or the “Company”) (CUSIP Number: 092533108) for 2015 is set forth below. For tax purposes, the Company is a regulated investment company (“RIC”) and is designating the types of distributions you received as a stockholder for 2015 in accordance with Subchapter M of the Internal Revenue Code of 1986, as amended (“IRC”), in the following manner:

- **Ordinary Income Dividends:** These dividends are from the Company’s ordinary net investment income and net short-term capital gains for the year. This type of dividend is to be reported on your tax return as ordinary income. Ordinary dividend distributions from a RIC generally do not qualify for the 20% tax rate on dividend income from domestic corporations and qualified foreign corporations except to the extent that the RIC received the income in the form of qualifying dividends from domestic corporations and qualified foreign corporations.

Total ordinary income distributions are reported on your Form 1099-DIV in Box 1a. The portion of the dividends reported in Box 1a that qualify for the maximum 20% tax rate are reported on your Form 1099-DIV, Box 1b

Please note that if you acquired or disposed of your Blackrock Capital Investment Corporation shares during 2015, qualified dividends reported in Box 1b of your 2015 Form 1099-DIV may not be eligible for the maximum 20% tax rate. Shareholders should consult their tax advisor for tax guidance.

- **Capital Gains:** Capital gain distributions arise from net long-term capital gains recognized by the Company during the year. These capital gain distributions generally qualify for the 20% capital gains rate. All capital gains are determined by how long the Company held the investment and the type of investment.

Total capital gain distributions are reported on your Form 1099-DIV in Box 2a.

Distributions that were reinvested through the Company’s Dividend Reinvestment Plan are treated, for tax purposes, as if they had been paid in cash. Therefore, stockholders who participated in the Dividend Reinvestment Plan should also refer to the table below for appropriate tax treatment of 2015 dividends.
