Notes to the Investor Presentation

Notes to the Investor Presentation

⁽¹⁾ *Income statement data per share excludes the impact of diluted weighted average shares outstanding.*

⁽²⁾ *Includes PIK interest and dividends earned during the period presented.*

⁽³⁾ *As Adjusted: Amounts are adjusted to remove the incentive management fee expense based on Gains, as required by GAAP, and to include only the incremental incentive management fee expense based on Income. The incremental incentive management fee is based on each trailing four-fiscal quarter period, applied to the current quarter's incremental earnings, and without any reduction for incentive management fees paid during the prior three quarters. Amounts reflect the Company's ongoing operating results and reflect the Company's financial performance over time.*

Pre-Incentive Fee: Amounts are adjusted to remove all incentive management fees. Such fees are calculated but not necessarily due and payable at this time.

⁽⁴⁾ *Excludes portfolio company investments below \$5.0 million.*

⁽⁵⁾ *Balance sheet per share data utilizes total shares outstanding at end of period.*

⁽⁶⁾ *Debt adjusted for cash and cash equivalents.*

⁽⁷⁾ *Total investment portfolio excludes cash and cash equivalents.*

⁽⁸⁾ *Borrowings consist of debt, as listed in public filings.*

⁽⁹⁾ *Asset coverage ratio was 316% as of June 30, 2014.*

Note: Schedules may diverge from public financials due to rounding.
